## **DigiPlus secures ₱3.0 billion loan from AUB to fund expansion**

Leading retail gaming provider DigiPlus Interactive Corporation (DigiPlus), which operates BingoPlus, the first and only PAGCOR-licensed remote gaming platform in the country, is ramping up its presence in the retail gaming segment to capture the strong momentum around digital interactive entertainment products.

On April 18, 2023, DigiPlus signed a loan agreement amounting to ₱3.0 billion with Asia United Bank Corporation primarily to fund its capital expenditures for expansion of BingoPlus and onsite electronic gaming operations, among others.

DigiPlus launched BingoPlus in January 2022 as it made a strategic pivot amid the accelerated digital transformation triggered by the pandemic. Since then, BingoPlus has become a community and entertainment hub and a source of revenue for government in funding social and educational programs. The platform experienced rapid growth since its inception, with more than 1,700 jackpot winners since January 2022.

“The success of BingoPlus has paved the way for exciting opportunities in the country’s casual gaming and entertainment space. We aim to capitalize on this positive momentum by revolutionizing our users’ experience by investing in new technologies, introducing new and innovative products, and enhancing our quality of service. This loan financing is a significant milestone as we look to ground our leading position in the retail gaming industry of the country,” says Andy Tsui, President of DigiPlus.

In February 2023, the company announced the change in its corporate name to DigiPlus from Leisure and Resorts World Corporation to reflect its brand identity as an innovative, technologically advanced, and collaborative organization. Over the past 20 years, DigiPlus has established a solid track record of providing world-class multi-gaming platforms with a strong distribution network across the country.

### **Caution regarding forward-looking statements**

The forward-looking statements in this press release are based on the beliefs of the management as well as assumptions made by and information currently available to the management. Our actual results, performance or achievements may differ materially from those expressed or implied by these forward-looking statements. In some cases, you can identify forward-looking statements by the use of words such as “may,” “could,” “expect,” “intend,” “plan,” “seek,” “anticipate,” “believe,” “estimate,” “predict,” “potential,” “continue,” “likely,” “will,” “would” and variations of these terms and similar expressions, or the negative of these terms or similar expressions. Such forward-looking statements are necessarily based upon estimates and assumptions that, while considered reasonable by us and our management, are inherently uncertain. Factors that may cause actual results to differ materially from current expectations include, among others, the rate and pace of economic recovery following economic downturns, levels of spending in business and leisure segments as well as consumer confidence. We caution you not to place undue reliance on any forward-looking statements, which are made as of the date of this press release. We undertake no obligation to update publicly any of these forward-looking statements to reflect actual results, new information or future events, changes in assumptions or changes in other factors affecting forward-looking statements, except to the extent required by applicable laws. If we update one or more forward-looking statements, no inference should be drawn that we will make additional updates with respect to those or other forward-looking statements.

## **About DigiPlus Interactive Corp.**
