Subject of the Disclosure

DigiPlus files South Africa license applications, advancing second international expansion

Background/Description of the Disclosure

September 24, 2025 – DigiPlus Interactive Corp., the Philippines’ premier digital entertainment provider behind BingoPlus, ArenaPlus, and GameZone, formally filed its license applications with the Western Cape Gambling and Racing Board (WCGRB) in South Africa. This move advances DigiPlus’ entry into one of the most promising regulated online gaming markets globally.

DigiPlus has applied for three operator licenses in South Africa: a National Manufacturer License, a Bookmaker License, and a Bookmaker Premises License. The WCGRB is regarded as the preferred jurisdiction for international operators like DigiPlus due to its transparent regulatory processes and digital readiness.

“The filing of our online gaming license in South Africa marks another milestone in DigiPlus’ global growth journey, as we bring our proven track record of innovation, responsible gaming, and player protection, together with our strength in localizing games for diverse markets, to one of Africa’s most dynamic economies,” said DigiPlus Chairman Eusebio Tanco.

This milestone shortly follows DigiPlus’ launch in Brazil on September 22 with its first international brand GamePlus. Together, these developments actualize the company’s vision of becoming a leading digital entertainment provider for the world’s most dynamic emerging markets.
