PSE Disclosure Form 4-32 - Reply to Exchange's Query

Subject of the Disclosure

Comments/clarifications on an inquiry from an investor regarding Leisure & Resorts World Corporation's ("LR" or the "Company") dividend declaration for the Preferred Shares

Description of the Disclosure

In response to the Exchange's query on dividend declaration and redemption of LRWC's preferred shares:

The Company has not yet decided whether to redeem the preferred shares (LRP) this year following its 5th year anniversary. As stated in the features and characteristics of LR's preferred shares:

"LRWC has the option, but not the obligation, to redeem the perpetual preferred shares in whole or in part on the 5th year anniversary from the issue date".

In the same manner, the Company recognizes a Step-Up Dividend Rate beyond the 5th year. As stated in the preferred share offering:

"Unless the preferred shares are redeemed by the Company on the Optional Redemption Date, the Dividend rate shall be adjusted on the Optional Redemption Date to the higher of (a) the Dividend Rate or (b) the prevailing Philippine Dealing System Treasury Note fixing 10-year treasury securities benchmark rate plus a spread of 300 basis points".

Meanwhile, the Company will continue to pay dividends as soon as the proceeds of the private placement is received. Rest assured that the deferred declaration will not affect investor earnings given LRP is a cumulative preferred stock which means all unpaid dividends are accumulated and carried forward until it is paid in full.
